ATTN: Residents of Hemphill

RE: Hemphill Road Improvements

Hello, my name is Kurt Cosse' and I am the Project Manager for this project. We have been contracted through the City of Sherwood to install new drainage infrastructure and widen Hemphill with new paving and curbing from East Maryland Avenue to East Keihl Avenue. This work will take several months to complete. During this first phase we will only be working from East Maryland to Cherrie Avenue until this portion is complete. We understand this will cause an inconvenience for you, but we will do our best to keep the impact to a minimum. Disturbed lawns will receive new topsoil and sod, driveways that are removed will be replaced. Should you have any questions or concerns you may contact either me on my cell (501)-539-8075 or our onsite Superintendent, Mikey Johnson, at 501-539-0822. We look forward to working with you throughout the duration of the project.

Sincerely,

Kurt Cosse'
Project Manager
