# TALK OF THE TOWN

## What's Inside...

## *From the* **MAYOR'S DESK** **Community**

Community, centering, togetherness, a sense of place, and belonging were key points in my campaign for mayor. I emphasized the importance of quality of life and place in our city, as these factors are formed from experiences like community engagement and togetherness. However, 80% of our residents leave the city to go to work every weekday, making fostering a strong sense of community challenging. We are also in a situation where our youth attend many different schools. Within most neighborhoods, you will find children that attend the local schools, private schools, charter schools, Cabot schools, Little Rock schools, and North Little Rock schools, as well as many being home-schooled. And with the impact of Covid, many people have gotten used to living in their own cocoons.

These concerts have been paid for through a partnership of private and public funds. Bank OZK has sponsored the stage, generously covering the cost, and the Sherwood Advertising & Promotion (A & P) Commission has covered the cost of the talent. Sherwood has received incredible free promotion and advertising because of the concert series, contributing to our city's reputation and appeal. These events have been promoted on The Vine television show and featured in several print publications such as AY magazine.

To address these challenges, we have organized free, family-friendly events designed to bring our diverse residents together and create a sense of community. The concert series, in particular, has seen increased attendance and has received positive feedback from attendees, including visitors from other cities. One of the guests in attendance at the last concert was from Kansas. He expressed how impressed he was by our city and wished his town did things like this. These concerts have been without incidents and have appealed to all ages. We have also used this opportunity to highlight small businesses and promote food trucks which helps them develop a following. Food truck sales generate sales tax revenue.

The fireworks display will be bigger and more impressive than last year! The atmosphere of last year's event felt like Central Park, with families picnicking on blankets and chairs, kids playing frisbee, throwing footballs, etc. There is so much room to spread out, and the setting could not be more beautiful! With it being on July 3rd, you can enjoy another show on the 4th. If you missed it last year, don't make that mistake again! And make sure you invite friends and family.

Please consider getting more involved with our city and taking advantage of these free entertainment opportunities. Our city is not just a place; it's a community of amazing people. Come out and meet some of your neighbors, forge new friendships, and make living in Sherwood even more special.

Kindest regards,

*Mary Jo Hux-Townell*

Last year, we moved the Independence Day celebration to the golf course, and despite those who feared change, it proved to be a huge success. This year's event, scheduled for July 3rd, promises to be bigger and more impressive than last year. By incorporating more food vendors and improving logistics and space for parking and viewing, we anticipate an enhanced overall experience for all attendees. The number of food vendors will be doubled this year and staged in two separate areas to shorten the lines.

Two dachshunds, one chocolate and one tan, are standing on their hind legs and holding a light blue rectangular sign. The sign has the text 'URGENT CALL TO ACTION' in dark blue and 'PLEASE HELP OUR SHELTER PETS' in large, bold, blue letters. Below the text on the sign are seven colorful paw prints in red, orange, yellow, pink, green, blue, and purple. The background of the entire page is yellow with various colored paw prints and dog silhouettes.

## URGENT CALL TO ACTION PLEASE HELP OUR SHELTER PETS

**The Sherwood Humane Animal Shelter is in urgent need of compassionate individuals willing to open their homes and hearts to foster our dogs and cats. Many of these furry friends have been with us for an extended period, and they desperately need the warmth and love of a temporary home.**

We are looking for individuals and families with a warm heart and a welcoming home. Whether you can foster a playful puppy, a senior cat, or any pet in between, your kindness can make a huge difference.

Fostering a pet is a rewarding experience that provides a lifeline to animals in need. It not only offers them a break from the shelter environment but also helps them adjust to home life, making them more adoptable. For some animals, fostering can be the critical difference that allows them to thrive and find a forever home.

### Why Foster?

- **Provide Relief:** Many animals find the shelter environment stressful. By fostering, you offer them a peaceful, loving space to relax and recuperate.
- **Socialization:** Fostering helps pets learn social skills, making them more appealing to potential adopters.
- **Lifesaving:** Every animal fostered opens up space in the shelter for another pet in need, literally saving lives.
- **Personal Reward:** Fostering can be a deeply fulfilling experience. You get the joy of companionship and the satisfaction of knowing you've made a significant impact on an animal's life.

Even if you can't foster, you can still help! **Share** this information with friends, family, and on social media. The more people we reach, the more animals we can help together.

Opening your heart and home to a pet in need can change a life – both theirs and yours. Thank you for considering fostering and for supporting the Sherwood Humane Animal Shelter. Together, we can create a brighter future for these wonderful animals. View all of the shelters adoptable or “foster-able” furry friends on the following page.

#### Recent Highlights:

- The Ice Cream Truck proudly joined the Sherwood Chamber of Commerce.
- They will participate in the prestigious King Biscuit Blues Festival in Helena, Arkansas, from October 9-12, 2024.
- In August 2023, they played a part in a heartwarming surprise for Wynne High School students affected by a tornado. Sponsored by Subaru and featured on the NBC Today Show, The Ice Cream Truck provided ice cream to students and even met Al Roker!

The Ice Cream Truck in Sherwood offers a delightful array of frozen treats on a stick from beloved brands like Blue Bunny, Blue Bell, Popsicle, Oreo, and Haagen-Dazs. Their menu features Fudge Bars, Bomb Pops, Spiderman and SpongeBob treats, Oreo ice cream sandwiches, and Haagen-Dazs Milk Chocolate bars. Additionally, they provide bottled sodas, water, salty snacks, and kiddie toys with candy.

Founded during the aftermath of the COVID-19 pandemic, The Ice Cream Truck emerged from a blend of nostalgia and necessity. The owner, who has spent most of their life in food service and previously owned food trucks, found themselves without a business when the pandemic struck. Reminded of childhood memories of eagerly chasing the ice cream truck, they decided to revive that joy for the Sherwood community. The Ice Cream Truck is gearing up to celebrate its second anniversary this October.

The Ice Cream Truck caters to all types of events—festivals, birthday parties, family reunions, company events, church socials, and sports events. Their mission is to be a part of fun and memorable moments, offering a unique and delightful experience.

The Ice Cream Truck is committed to the Sherwood community. They've been involved in fundraisers, local events, and the Sherwood Christmas Parade, where they distribute free ice cream and treats. Additionally, they collaborate with other food trucks annually to support Little Rock's unsheltered community by providing essential items.

Inflation, supply chain disruptions, and competition have been significant challenges. Rising costs forced The Ice Cream Truck to adjust prices, and the closure of their local Blue Bunny distributor necessitated finding new suppliers. Despite these hurdles, they remain dedicated, constantly seeking new events and opportunities to serve the community.

The Ice Cream Truck aims to expand its fleet with additional trucks to enhance its reach within Sherwood, bringing the joy of the ice cream truck directly to neighborhoods. Their goal is to continue delivering fun experiences and supporting local fundraising initiatives.

Look for The Ice Cream Truck at upcoming Sherwood events, grab a delightful treat, and let them be a part of your cherished memories!
